

EQUIPMENT MANAGER IS NOW VISION LINK!

Monitor the health, utilization, and location of your equipment in near real-time speed by logging onto www.myvisionlink.com

Didn't you just put fuel in me?

Where am I?

Why am I so hot?

IT PAYS TO KNOW

Introducing the New Cat® Product Link.

It pays to know where your equipment is, what it's doing, and how it's performing at any moment. With the completely redesigned Product Link — featuring robust hardware, an intuitive web-based interface, and mixed-fleet capability — the answers are at your fingertips.

See your entire fleet at a glance. Monitor fuel usage. Compare working time versus idle time. Set security alerts. Even click through to www.LouisianaCat.com for parts and service. Product Link lets you deliver the right information to the right people at just the right time — so you can maximize efficiency, raise productivity, and lower owning and operating costs for your fleet.

To request login information, email the following to ProductLinkSupport@louisianamachinery.com:

- Preferred username and password
- Account number
- Customer name
- Contact Information

You will be contacted shortly after your request is received for additional details and support.
