**New Rubber Track Options from
Louisiana Cat**

Louisiana 

www.LouisianaCat.com

The Difference

- Cat[®] Rubber Tracks are tested and validated on Cat equipment to ensure quality meets Caterpillar specifications.
- Louisiana Cat provides expert consultation, service and operator training for your specific operation.
- Different tread patterns available based on application needs.
- Cat Financial offers 0% financing for up to 24 months with a Commercial Account.

Premium Rubber Track

- Optimal for durability in challenging environments
- Warranty: 12 months/1,500 hours

General Duty Rubber Track

- Optimal for machines with lower hours of operation. General Duty Tracks offer the same performance, but lower life expectancy than the Premium Track.
- New Traction Plus General Duty for Company Track Loaders maximizes traction in soft underfoot conditions, including turf.
- Warranty: 12 months/1,500 hours
